

NAMIBIA

INTRODUCTION

South Africa occupied the colony, then known as German South West Africa, in 1915 during World War I and administered it as a mandate until after World War II. In 1966, the Marxist South-West Africa People's Organization (SWAPO) guerrilla group launched a war of independence for the area that became Namibia. Namibia gained independence in 1990 and has been governed by SWAPO since, though the party has dropped much of its Marxist ideology.
